

Eduard Korytnyk

Front-end Developer

Driven and motivated, I am interested in IT and everything in its orbit. I am fascinated by web programming, e.g. developing apps and building websites. As this area complements my studies, I am keen to gain more experience in the field. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant and friendly addition to your team.
